

## FEBRUARY 2020

**DID YOU RECEIVE A PAST DUE NOTICE** Please pay the past due amount by **February 15th** or call the City Office to make a payment arrangement **before** the disconnect date at 9:00am on Wednesday February 19<sup>th</sup> at 9:00 am.

### **VOTE ON SUPER TUESDAY MARCH 3, 2020**

This is the first year Utah will participate in Super Tuesday. Registered Republican and Democrat voters will receive their respective ballots in the mail. They will be sent out on February 11<sup>th</sup>. **We encourage you to “vote by mail”**. If you are a registered voter and are registered Independent/Other Parties or Unaffiliated you will have already received a letter from the Iron County Clerk asking you if you would like a Republican or Democrat ballot sent to you. This is only for the Presidential Primary. No State offices, such as governor, are included in this election. February 25<sup>th</sup> is the last day to register to vote online at [vote.utah.gov](http://vote.utah.gov) or in person at the Iron County Clerk’s Office in Parowan. A ballot drop off box will be located at the Enoch City Office or you may vote in person here on March 3<sup>rd</sup>.

### **KINDERGARTEN REGISTRATION AT GATEWAY PREPARATORY ACADEMY**

Registration for the 2020-2021 school years will be held on Monday March 23<sup>rd</sup> from 3:30pm to 5:00pm and Tuesday March 24<sup>th</sup> from 9:00am to 11:00am. They offer half day and full day programs. Please bring birth certificate, immunization record or personal exemption from the State Public Health Office in order to enroll. Bring your child to have a vision screening, complete readiness assessment, meet the teachers and to see the classroom environment. For questions, contact Joni at 435-867-5558 or [info@gpacharter.org](mailto:info@gpacharter.org). You may also register online after March 1<sup>st</sup>.

### **ENOCH ANIMAL SHELTER-DOG LICENSES**

Most dog licenses are up for renewal in March and you will receive a reminder letter if you are due to renew. Please check to be sure your dog’s rabies vaccination is current. If you licensed your dog in another month, you will receive a reminder letter when you are due. Cost is \$12 if spayed/neutered and \$36 if not. If you have not registered your dog in the past you are required by law to do so and to keep the license current. You will need to bring proof of current rabies vaccination and spay/neuter from your vet when you are signing up for the first time or when shots expire. Please consider adopting a pet from the Enoch Animal Shelter or other group if you have room in your heart and home. The Enoch Animal Shelter can be contacted by calling 590-0104.

### **2020 CENSUS IS COMING IN APRIL-TIME TO START TALKING ABOUT IT**

This is one of the most important functions of government. Having a correct count of all residents helps determine funding for public services in the community. That contributes to a better future for all residents. The Census count also determines the number of elected representatives from Utah. Census information is private and protected for 70 years. There is no citizenship question and all need to be counted. This year will be the first year the form can be filled out online. You can also fill out a paper form if you prefer. If an address is not heard from, a Census Taker will be coming by to help you. We will be providing more information and can help you with questions.

## "FYI" A FACT ABOUT YOUR SEWER CONNECTION

Residents are responsible for the sewer line from the connection in the street to your house. The connection point is called the "sewer lateral".

## SNOW REMOVAL

Please try not to park on the roadsides when snow is in the forecast. Cul-de-sacs are difficult to plow if vehicles are in the way. When 2" of snow has accumulated the plows are activated. The school bus routes are plowed first. We make every effort to spread salt/cinders on approaches to stop signs. Most accidents occur due to excessive speed when roads are icy. Please slow down.

**The City Office will be closed on Monday, February 17<sup>th</sup> for President's Day.**

**The City dumpsters are available during regular business hours,  
Monday through Thursday. We close at 12:30pm on Friday.  
No construction waste may be dumped.**
