ENOCH DOG LICENSES ARE DUE IN MARCH

Most dog licenses are up for renewal in March and you will receive a reminder letter if you are due to renew. Please check to be sure your dog's rabies vaccination is current. If you got your license in another month you will receive a reminder letter when you are due. Cost is \$12 if spayed/neutered and \$36 if not. If you have not registered your dog in the past you are required by law to do so and to keep the license current. You will need to bring proof of current rabies vaccination and spay/neuter from your vet when you are signing up for the first time or when shots expire. Please consider adopting a pet from the Enoch Animal Shelter or other group if you have room in your heart and home. To reach the Enoch Animal Shelter call 590-0104.

TIP FROM THE TREE COMMITTEE

You can get information online at www.extension.usu.edu/ironmg Click on UACD Tree Sale. Also order forms are available at the City Office. Orders must be placed in quantities of 5 or 10. Consider sharing an order with a neighbor. We appreciate our resident's interest in beautifying their yards and Enoch City.

LIBRARY AND BOOKMOBILE INFORMATION

Love the Library? Keep missing the Bookmobile? Come to an Open House at the Old School Library for a chance to go on the Bookmobile, check out items, find an old favorite and take advantage of an opportunity to get involved. Everyone in Iron County is invited; there may even be treats. The Open House will be Thursday March 12th from 5:00pm to 7:00pm at the Old School Library, 4763 Santa Fe Trail in Enoch.

TRASH CAN PLACEMENT

For more efficient trash pick-up the City requires cans to be placed six (6) feet away from other trash cans, mailboxes, parked cars etc. If cans are not properly placed the automated trash truck is unable to pick them up. If you need a second trash can please call the City Office as we are unable to pick up extra trash left beside cans. We are unable to make call backs if you are missed due to improperly aligning the cans or cans are put out late. If you are missed for whatever reason you can take bags of trash to the City Maintenance Yard to dump them. When it is necessary to run routes differently due to holidays your pick-up time may vary. Please have cans out by 7:00am. We appreciate your cooperation with these requirements. Let's be good neighbors and help one another with can placement. Cans are required to be removed from the street after dumping.
